

# Meet Our Wound Care Team

**Peter Dahlberg, MD, PhD**  
General Surgeon

Dr. Peter Dahlberg received his Bachelor of Science degree in Chemistry from the University of California at Berkeley. He went on to graduate from the University of Minnesota Medical School. Dr. Dahlberg completed his General Surgery internship and residency, endoscopy training, and surgical infectious disease fellowship at the University of Minnesota in 1989. The following year he finished his Ph.D. degree that focused on the development of treatments for serious bacterial infections. He then went on to complete a three-year Thoracic Surgery Fellowship at the Mayo Clinic in Rochester, MN.

**Michael Douglas, MD, MBA**  
Family Practice Physician

Dr. Michael Douglas attended medical school at Quillen College of Medicine at East Tennessee State University in Johnson City, TN. He also completed a Master of Healthcare Administration at University of St. Thomas, Minneapolis, MN. Dr. Douglas takes a special interest in primary care and geriatrics.

**Desiree Scholl, DPM, FACFAS**  
Podiatrist

Dr. Desiree Scholl graduated with honors from the Scholl College of Podiatric Medicine in Chicago, Illinois in 2008, earning her Doctor of Podiatric Medicine Degree. She completed her residency at St. John Providence Hospital in Southfield, Michigan. Dr. Scholl is Board Certified by the American Board of Foot and Ankle Surgery. She has 10 years of diverse experience and is trained to treat surgical and non-surgical disorders of the foot and ankle including trauma, arthritis care of the ankle joint, flatfoot, sports medicine of the foot and ankle, diabetic foot and limb salvage, heel pain. Dr. Scholl takes a special interest in Sports Medicine, Pediatric Podiatry, and Foot and Ankle Surgery.

**Dana Loos RN, CWS**  
Certified Wound Specialist

Dana has been a Registered Nurse since 1995 with Western Wisconsin Health and developed the Wound Care Program in 2009 along with Dr. Semrau. She became a Certified Wound Specialist in 2011. *"I am passionate about helping people heal. Individualized patient care is the key to a successful outcome, and I am excited to provide excellent evidence-based wound care to my patients."*

**Tracy Gilbertson RN, WCC**  
Wound Treatment Associate

Tracy became a Registered Nurse in 2011. Prior to working in the acute care setting, Tracy worked in long term care where she became familiar with various different types of wounds and wound healing techniques. This led her to her specialized interest in wound care. In 2013, Tracy became Wound Care Certified to carry on her interest in Wound Care and the wound healing process, and has been a part of the Wound Care team since then. *"I am passionate about wound care and the entire healing process. It is incredibly gratifying to watch others heal and be a part of such an amazing interdisciplinary team!"*

**Jen Hinkel PT**  
Physical Therapist

Jen is a Doctor of Physical Therapy and a 2009 graduate of UW-La Crosse. She has been working in wound care for three years.
