\*Specialty Programs are an additional cost dependent on the program. See Trainer and/or Fitness Desk for details.

Employee Wellbeing Program is for Western Wisconsin Health employees who have joined a cohort for the specific time shown on the schedule. These classes are not open to other fitness center members.

## Class Descriptions

### LIVE CLASSES

- Cardio/Strength:** This class works out all areas of the body with a variety of cardio and strength exercises.
- Forever Active:** This class combines cardio and strength training for those individuals seeking an active lifestyle and a little socialization.
- Spin:** This indoor and/or outdoor cycling class provides training in a variety of terrains--hills, climbs, jumps, and more! With high-intensity intervals, this class will give you an amazing workout.
- Tabata:** This fitness class will mix your cardio and strength training for a total body workout! Tabata is a form of high-intensity physical training in which very short periods of demanding activity are alternated with shorter periods of rest.
- Yoga:** Yoga class will improve the foundational poses of yoga – opening, standing, shoulder and hip exercises, inversions, twists, backwards and forward bends, salutations, and finishing poses.
- Pilates:** Pilates is a method of exercise that consists of low-impact flexibility and muscular strength and endurance movements. Pilates emphasizes proper postural alignment, core strength and muscle balance.

### VIRTUAL CLASSES

- Body Flow:** A motivating blend of yoga with Tai Chi and Pilates which improves your flexibility and increases core strength while you reduce your stress levels. You'll focus your mind and create a lasting sense of wellbeing and calm. Classes are available as 30-, 45- or 50-minute workouts.
- Body Pump:** An ideal workout for anyone looking to get lean, toned and fit – fast. This full-body barbell workout will burn calories, shape and tone your entire body, increase core strength and improve bone health. Classes are available as 30-, 45- or 50-minute workouts.
- CXWORX:** 30-minute core training workout that delivers quick results for all fitness levels.
- GRIT Cardio; GRIT Strength; or GRIT Athletic:** 30-minute High Intensity Interval Training (HIIT) workouts for members looking to take their fitness to the next level. Improve cardio fitness and agility, lean muscle growth, increased calorie burn and fat loss. NOTE: We recommend that GRIT (or any other HIIT classes) be taken no more than two times per week.
- RPM:** 30- or 50-minute indoor cycling class set to motivating music. Burn calories, get fit and feel euphoric.
