Provider List Appendix

Date of Last Update: June 2025

In connection with its Financial Assistance Policy, and as required by § 1.501(r)-4(b)(1)(iii)(F) of the Treasury Regulations, Western Wisconsin Health must maintain a list of providers who are not employed by the hospital facility, but who provide emergency or other medically necessary care to our hospital patients. These non-facility providers may bill patients separately for their services. This provider list specifies which of these providers will not apply to Western Wisconsin Health's Financial Assistance Policy.
